Wilsonart's 2021 Solid Surface Collection

The spaces where you live and work should envelop you in comfort and tranquility, almost like a cocoon. The Wilsonart® 2021 Solid Surface collection introduces inviting colors and soothing tones to inspire peaceful settings like never before. Capturing natural warmth, these designs let you welcome relaxation with a range that features subtle earth tones, movement found in the outdoors, and wisps of calming color. Tucked within is The Crafted Collection, catering to a variety of expressions with veining that moves from soft to high contrast to create the ultimate design complements.

Adding even more ease to every day, Solid Surface requires little effort to maintain its beauty. This renewable and repairable surface is virtually seamless and non-porous, and designed for exceptional durability.

The Crafted Collection

The Crafted Collection from Wilsonart® Solid Surface brings the natural appeal and prestige of marble design into every space. From the soft veins inspired by Carrara marble to the bold, rare beauty of Calacatta stone and the high-contrast allure of Statuario marble, this selection offers intriguing and unique expressions to make your vision come to life.

Wilsonart® Solid Surface

LIMITLESS DESIGN
Stunning natural stone designs in solids, small to large particulates, veining and movement, quartz-inspired sparkle, elegant inlays, and an abundance of custom options.

STAIN-RESISTANT
Non-porous material allows for low maintenance and stain resistance, so you can worry less about spills or messes and more about your creative vision. Unlike granite, no sealing is required.

ECO-FRIENDLY
Designed for indoor spaces, GREENGUARD Gold Certification gives you added assurance that Wilsonart® Solid Surface meets strict chemical emission limits.

SEAMLESS
Inconspicuous waterproof seams eliminate the growth of odor-causing mold and mildew. NSF compliant for food contact.

REPAIRABLE
A Certified Wilsonart Fabricator can easily repair scratches, chips, gouges, or cracks to original condition.

Solid Surface Wide Sheets

Wilsonart's 60" Wide Sheet Solid Surface comes with a number of key advantages. Already beloved for their natural appearance, non-porous performance, and low-maintenance durability, wide sheets also yield better material and fabrication costs, along with installation upsides.

Sinks

Wilsonart® Solid Surface Sinks are acrylic cast-molded for a perfect fit that meets Wilsonart's highest standards. Solid Surface slabs create a seamless appearance for aesthetic appeal and easy maintenance, and an integral overflow is optional with most vanity sinks. Some sinks are special order and require a longer lead time. Sink drawings are available at www.wilsonart.com.

ADA COMPLIANT

All "ADA Compliant Sinks" will comply with the applicable ADA requirements as specified in the Americans with Disabilities Act.

Large ADA Utility Sink
AK2716
